### OFFICE FINANCIAL POLICY

\_\_\_\_\_ (initial) **BASIC POLICY:** Payment for services rendered is due in full at the time of service. Our office accepts cash, personal checks (with valid driver's license), and credit cards. There is a **\$25.00** returned check fee due and payable from you for each check payment returned to us by your bank. The office will charge a **\$25.00** fee in the event that a patient does not provide notice of cancellation at least 24 hours prior to their scheduled appointment.

\_\_\_\_\_ (initial) **PATIENTS WITH INSURANCE:** We will bill your insurance carrier(s), provided proper documentation is provided to us. Every effort will be made to estimate your copayments and deductibles which are due at the time of service, but the ultimate responsibility for any unpaid balance rests on you. Please understand that insurance is a contract between you and your insurance company. Please note that we are not responsible for obtaining referrals required by your insurance plan. It is the sole responsibility of the patient to obtain a referral from your Primary Care before the date of service.

\_\_\_\_\_ (initial) **SURGERY FEES/NON-COVERED CHARGES:** All co-payments, deductibles and payments for non-covered surgical procedures are due prior to your surgery. Prior authorization may be required by your insurance carrier. Any charges not paid by your insurance carrier will require payment in full at the time services are provided or upon notice of insurance claim denial.

\_\_\_\_\_ (initial) **PATIENT RESPONSIBILITY:** The office has the right to obtain a copy of a valid credit card for all deductibles and services not covered by insurance. Once an explanation of benefit has been obtained by Dr. Patel's office and the patient has been notified of his/her responsibility, the card will be charged for the outstanding balance. In the event that the patient account has delinquent status, Dr. Patel's office reserves the right to send the account to a collection agency and the patient agrees to pay the cost of collections. Guarantors acknowledge accounts referred to a collection agency or attorney may be subject to a collection fee of 35% of the balance in addition to the total balance due and all legal fees associated with outstanding patient financial responsibilities. If after a bill is 30-60 days out and still unpaid, interest at 18% per annum will start.

\_\_\_\_\_ (initial) **MEDICAL RECORDS RELEASE:** There is a **\$10.00 fee** for release of medical records, **+\$0.50 per page**, charged to each patient upon requesting medical records.

I have read, understood and agree to the above financial policy. I understand that I am ultimately responsible for all fees and referrals for services provided to me. Anything that is returned as unpaid by insurance is my sole responsibility.
